Child Abuse Responsibility

Child abuse is as old as the history of mankind. It has many ugly forms and is a problem of severe magnitude and shocking implications. The spiritual atmosphere which Camp Assurance attempts to provide may be one of the best deterrents possible. When, however, an instance of child abuse is expected or reported, our leadership must do everything it can to help those in need as quickly as possible along the best spiritual and professional guidelines.

A position paper concerning child abuse authorized by the Board of Directors is available from your leadership team. If there is any suspicion of child abuse in any form, it must be reported to the camp director and the position paper will furnish the guidelines for the action that is to be taken.

I acknowledge my responsibility to be careful and conscientious in reporting any suspicions to my camp director.

Our Statement of Faith

We believe that there is one God, creator and sustainer of the universe, existing in three persons: Father, Son, and Holy Spirit

We believe that the Bible is the verbally inspired Word of God, is inerrant in the original manuscripts and uniquely infallible, our only authority for faith and practice.

We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His substitutionary sacrifice upon the cross, in His bodily resurrection, in His victory over sin and His enemy Satan, in His present exaltation at His Father's right hand, and in His personal return, at any time, in power and great glory.

We believe in the fall and lostness of man, whose total depravity requires that he be regenerated by the Holy Spirit for his salvation.

We believe that salvation consists of forgiveness of sins, the imputation of Christ's righteousness, and the gift of eternal life, received by grace alone, entirely apart from works.

We believe in the bodily resurrection of all mankind: those who have trusted in Christ, the ultimate Judge, will receive everlasting life and blessedness in Heaven; those who have not will receive everlasting punishment and separation from the presence of God.

We believe that Christ has commanded His Church to preach the Gospel to all people, and that this mandate should be the primary concern of all Christians.

I am in agreement with the above statement of faith: YES NO

- I understand and am willing to cooperate and support the policy of Camp Assurance, that we are nondenominational and only direct Bible teaching is to be used, without bringing in denominational doctrine or materials. We will not run down other churches to get into arguments for controversial doctrine. We will emphasize salvation and Christian living, allowing the Holy Spirit to convict and convince regarding issues over which evangelical believers have chosen to not agree.
- I am willing to cheerfully follow the direction of those over me while not talking behind the backs of my peers or those in authority over me.
- I understand that my final acceptance as a Camp Assurance staff person depends on my conduct, cooperation, and ability to learn during Staff Training and my first week of VBS or camp ministry.
